Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Actually, I meant she's in her 37th week of pregnancy. But yes, she does make my struggle easier.

I actually gotta say that I'm very grateful that the first addition to my family will come into this new life that I built for myself.

B'sha tova.

I have made many delivery room kabolos. I think I usually (mostly) kept them, although none of them gave me a sober life.

Feel free to reach out if you'd like. It's an exciting and stressful time.

Last night I was sitting in the living room, talking to my wife about life. In-between, we talked about the idea of living or dying.

I told her : 'Never let me live in a vegetative state, totally dependent on machines and liquids from a bottle. If you see me in that state I want you to disconnect all the connections that are keeping me alive, I'd much rather die.'

My wife got up from the sofa with this real look of admiration towards me proceeded to disconnect the Cable TV , DVD, then the Computer, the Cell Phone, the iPod, and the Xbox, and then went to the bar and threw away all my Whisky, Rum, Gin, Vodka and Beer from the fridge.

I ALMOST DIED!!

Think before you speak. The female brain works on a different wavelength!!

Airman Jones was assigned to the induction center, where he advised new recruits about their government benefits, especially their GI insurance.

It wasn't long before Captain Smith noticed that Airman Jones was having a staggeringly high success-rate, selling insurance to nearly 100% of the recruits he advised.

Rather than asking him about this, the Captain stood at the back of the room and listened to

Jones' sales pitch.

Jones explained the basics of GI Insurance to the new recruits, and then said, "If you are killed in a battle and have a GI Insurance, the government has to pay \$200,000 to your beneficiaries. But, if you don't have a GI insurance and get killed in the battle, the government only has to pay a maximum of \$6000."

"Now," he concluded, "which group do YOU think they are going to send into battle first?"
