Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

I can't tell if you're joking or not. If you are, it's not humorous. If you're not, this is not the place for leftist trash. America is not systematically racist, nor are whites killing blacks on a regular basis (a Washington Post database found that blacks were responsible for over 75% percent of black deaths that resulted from violent crime), nor are the police systematically racist (19 unarmed whites were killed in 2019 compared to 9 unarmed blacks, according to the same database, which is especially noteworthy given the rate of crime amongst blacks). Read Heather MacDonald's "The War on Cops", or her recent op-ed "The Myth of American Systematic Racism" (in the WSJ) where she further debunks the lies and bullying spread by the left. But regardless, GYE is a recovery site for those struggling with pornography. It is not a place to make some leftist speech. If I'm wildly misinterpreting your post (which is entirely possible), then please let me know, and my sincere apologies. But if I'm not, then please realize that people come on to GYE for help with their struggles, not to have leftism and lies (which have no place in Yiddishkeit) thrown in their faces.

Hi Warrior.

My my, your name sure fit your post. :-)

Sounds like you are very frustrated about some things. I must agree with you though that this isn't really the place for a political speech, left or right. My own personal opinion I'll be happy to shmooze about in a pm or by email if you'd like. As you wrote, all sorts of people come here to get help with lust, some lean right, some lean left, and some have just left right in the center (whatever that means). I think Mark had a cute line that can't be denied on its own (without reading all sorts of meaning to it) but you certainly don't need to share my view on it. (I've actually lowered someone's karma in the past for what I felt was a distasteful post), but let's keep the politics outside.

Reminds me of an old poem...

Let's keep it simple,

Not tied with a wimple,

Keep our focus as clear

As my old chandelier...

Cause we're in this together

Now and forever

No matter our slant

We're not here to vant

To recover from lust

And all that is prust

lets stop all that cryn'

And drink a l'chaim

(Just don't drive afterwards)

Sg

My apologies. Admittedly, I was not in the greatest of moods (to put it mildly) last night when I saw your post (I'd just had a very bad fall), and thus I wasn't thinking very clearly (again, to put it mildly). I interpreted "White lies matter" to mean "Lies told by the white people who say there is no systemic racism matter." Seems pathetic, but as someone who is politically active, let me assure you that there are actually people who say that. If I had been thinking clearly, it just might have occurred to me that the more likely meaning of the phrase (given the context) was "white lies (as in, actual "white lies") matter." But as you can probably tell, it didn't. Thus, my wild misinterpretation.

Again, my sincere apologies. Please be mochel me.

Sorry to hear

Ok. So now we have "White lies matter" to mean "Lies told by the white people who say there is no systemic racism matter."

Do you realize that's a racist interpretation.

Because then

"Black lives matter" would mean "Lives sold by the white people who say there is no systemic racism matter."

Markz, my sincere apologies as well, I didn't follow that, but.....

Warning: Spoiler!

No, C"V. Your post didn't make me fall, I'd already fallen. (Because of this, I wasn't in a clear state of mind when I saw your post.) You're not at fault in any way here.
