Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Just ignore the whole karma thing. Somehow it got turned off by me, and i never requested that they turn it back on. It is ridiculous that your value should be determined by anybody and everybody who joins GYE for a few days. If there is some purpose to the whole thing (which i personally do not understand), then one should earn the right to raise or lower another guys karma, by proving that his opinions are acceptable and appropriate. We all know there have unfortunately been sick individuals on the site (BH few and far between). They should be grading serious guys helping themselves and others by taking out the time to write?!

they say that women and men are so different its like they are from 2 different nations

so if i make fun of women ,does that make me a racist?

I wouldn't touch your karma. However this post is not acceptable. Even joking about making fun of woman is not appropriate for a nice jewish boy like you. Please be aware that this is a public forum which is publicly searchable by Google.

Thanks

In all seriousness, who would want to smite you? You are such an awesome guy!

We need to start a "restore Sleepy's karma" campaign starting with myself, we'll see who wins this one.

no one should get discouraged by the karma thing, i think its rigged , one guy can have 5 usernames and karma away within the 6 hour limit, (i hope he waits 6 hours after eating flieshigs) but i dont want to make an issue out of a tissue, but since this is the joke section ,i decided to mention it , so smite away!

Nice story, but the link contains many very objectionable advertisements and images. Perhaps you would remove it. I've taken the liberty of pasting the text of the story below:

Ex-Army Sniper Takes Out Neighbor's Home Intruder From Bedroom Window

Jeremy Elmore, a 42-year-old retired Army Sniper currently residing in El Paso, Texas, is being hailed a hero after he saved a neighborhood family from 3 violent home intruders late Tuesday evening.

Elmore, who retired from the Army at 41 after giving 21-years of service was spending the night home alone as his wife and 3 young children are visiting family members in Indiana.

According to Elmore, he wasn't quite ready to go to sleep when he retired to his bedroom around 1:15 AM- so he decided to engage in one of his favorite activities – breaking down and cleaning one of his firearms. The firearm that Elmore decided to break down and clean was his M24 Sniper Rifle (*officially referred to as the M24 Sniper Weapon System*).

At approximately 1:50 AM – after cleaning and reassembling the rifle, Elmore rested it on the sill of his bedroom window to adjust its scope. While adjusting the scope it unintentionally landed on one of his neighbor across the street's open windows; Elmore told police and reporters that he was amazed at what he saw happening inside. Elmore told local ABC affiliate reporter Karen Lodestone, **"I honestly thought I was dreaming hallucinating at first – it took over a minute for the situation to fully register in my brain"**.

What Elmore saw through the high-powered scope on his rifle was – his neighbors, Fredrick and Lydia Cole tied to chairs in their upstairs family-room. The couple's 2-children Douglas (*11-years-old*) and Daniel (*6-years-old*) were sitting near their mother – also tied to kitchen-style chairs.

According to Elmore, the mother and children had what looked to be duct-tape around their mouths and 3 masked-intruders appeared to be focusing primarily on Fredrick Cole. The 3

masked-intruders were holding handguns and were acting in a very violent manner – often destroying the Cole’s property or striking Fredrick Cole in the face with their pistols.

Things seemed to be escalating quickly at the Cole residence and Elmore used his bedroom telephone to call 911. After notifying authorities, Elmore continued to monitor the situation across the street. According to Elmore, while waiting for the police to arrive things continue to escalate rapidly at the Cole residence and he was greatly concerned for the family’s safety. Elmore told reporters that his military training and instinct kicked in and he knew that he had to do something to intervene.

Elmore proceeded to load his rifle with the custom 7.62 x 51mm ammunition and stationed himself at his bedroom window. As Elmore continued to watch the situation unfold across the street, the home intruders became increasingly more violent. As one of the intruders held his handgun (*later identified as a .45 caliber Taurus 1911*) to Mrs. Cole’s head – Elmore took the first shot from his rifle immediately striking his intended target.

According to Elmore and members of the Cole family – the home intruder instantly fell to the floor dropping his weapon in the process. The remaining 2-home intruders were visibly stunned and confused by the incident and gave Elmore enough time to fire 2 additional rounds striking both remaining intruders before they had an opportunity to retaliate.

Police arrived shortly after Elmore’s intervention and discovered 2 of the 3 home-intruders dead upon their arrival. The surviving intruder – since identified as Charles L. Brooke was treated for his injuries at a nearby hospital and has since been arrested and booked into a county jail.

Among those singing praise for Elmore’s heroic actions are the members of the Cole family who have told reporters they owe their lives to Elmore and will never be able to thank him enough or fully express their gratitude for the retired Army Sniper.

Police are still investigating the home invasion, however, during a brief press-conference, told members of the media that they believe the invasion was motivated by a now-defunct business deal Fredrick Cole had been involved in throughout mid-2016. They believe the intruders intended to harm the Cole family and are grateful for Elmore’s intervention.
