Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

An English professor wrote the words:

"A woman without her man is nothing"

on the chalkboard and asked his students

to punctuate it correctly.

All of the males in the class wrote:

"A woman,

without her man, is

nothing."

All the females in the class wrote:

"A woman:

without her, man is

nothing."

This post was inspired by URI:

Men and women were created equal, but women continued to improve.

Men are like.....Placemats.

They only show up when there's food on the table

Husbands are like....Children

They're fine if they're someone else's.

Men are like....Animals

Messy, insensitive and potentially violent, but occasionally make great pets.

Men are like.....Bank accounts.

Without a lot of money, they don't generate much interest.

Men are like....Beer.

The first sip is always bitter.

No matter how many varieties you try, they are essentially the same; tasteless, full of bubbles, destabilize your metabolism and give you a headache

Men are like.....Bike helmets.

Handy in an emergency, but otherwise they just look silly.

How do men sort their laundry?

"Filthy" and "Filthy but Wearable".

How can you tell if a man is happy?

Who cares?

What are two reasons why men don't mind their own business?

1. No mind.

2. No business.

Why is a man different from a PC?

You only have to tell the PC once

Why are men like blenders?

You need one, but you're not quite sure why.

What's the difference between a man and a parrot?

You can teach a parrot to talk nicely.

Men are proof of reincarnation.

You can't get that dumb in just one lifetime.

Wife: Do you love me just because my father left me a fortune?

Husband: Not at all honey, I would love you no matter who left you the money.

What's the difference between an intelligent man and a UFO?

I don't know, I've never seen either one.
