Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Does that mean I am depressed??

no, laying on the floor laughing is not a sign of depression, it may be a sign of intoxication

LATEST NEWS. This ain't fake...

State Employee Charged After Complaining About Herself

Thursday, February 18, 2021

WEST LEYDEN, N.Y. (AP) -

An employee for a New York state agency is accused of filing an anonymous abuse complaint against herself in order to collect paid leave.

Heather Race, of West Leyden in central New York, was charged with third-degree grand larceny and two other charges related to falsification, the state police said on Wednesday.

She allegedly received eight weeks of pay, or around \$6,900, on administrative leave while the abuse complaints she filed against herself were investigated.

A message seeking comment was left at a phone number listed for Race.

Race, 40, worked for the state's Office for People with Developmental Disabilities. She was arraigned in a Lewis County court and released, the police said.

You know, I see this war in Israel as a reflection of our spiritual battles with evil. Today, Israel was an inch away from agreeing to a ceasefire with Hamas brokered by France. See News article [here](#). In the end though, the cabinet voted it down and the battle continues!! I was

thinking of you when I read this. I was wondering if it was in your Zechus that the battle GOES ON!!

Is déjà vu uniquely French?

A woman on death row has a conversation with the prison guard (not to be confused with our guard):

Guard- what do you want to eat for your last meal?

Woman- idk, what do YOU want?
