Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

The Silent Treatment..

A man and his wife were having some problems at home and were giving each other the silent treatment.

Suddenly, the man realized that the next day,
he would need his wife to wake him at 5:00 AM for an early morning business flight.

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper,
'Please wake me at 5:00 AM '

He left it where he knew she would find it.

The next morning, the man woke up, only to discover it was 9:00 AM and he had missed his flight.

Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed.

The paper said, 'It is 5:00 AM. Wake up.'

WIFE VS. HUSBAND

A couple drove down a country road for several miles, not saying a word.

An earlier discussion had led to an argument and neither of them wanted to concede their position.

As they passed a barnyard of mules, goats, and pigs, the husband asked sarcastically, 'Relatives of yours?'

'Yep,' the wife replied, 'in-laws'

WOMEN'S REVENGE..

'Cash, cheque or charge?' I asked, after folding items the woman wished to purchase.

As she fumbled for her wallet I noticed a remote control for a television set in her purse.

'So, do you always carry your TV remote?'

I asked.

'No,' she replied, ' but my husband refused to come shopping with me,
and I figured this was the most evil thing I could do to him legally.'

W O R D S..

A husband read an article to his wife about how many words women use a day...

30,000 to a man's 15,000.

The wife replied, 'The reason has to be because we have to repeat everything to men...

The husband then turned to his wife and asked, 'What?'

CREATION..

A man said to his wife one day, 'I don't know how you can be so stupid and so beautiful all at the same time.

' The wife responded, 'Allow me to explain.

God made me beautiful so you would be attracted to me.

God made me stupid so I would be attracted to you !!!

WHO DOES WHAT..

A man and his wife were having an argument about who should brew the coffee each morning.

The wife said, 'You should do it, because you get up first, and then we don't have to wait as long to get our coffee.'

The husband said, ' You are in charge of cooking around here and

you should do it, because that is your job, and I can just wait for my coffee.'

Wife replies, 'No, you should do it, and besides, it is in the Bible that the man should do the coffee.'

Husband replies, 'I can't believe that, show me.'

So she fetched the Bible, and opened the New Testament and showed him at the top of several pages, that it indeed says.....'HEBREWS'

That's how it typically works between the guys from Mars & the woman from Venus, what you think is funny we take as insults and vis versa.

The work in marriage is to try to understand the opposites viewpoint.

This post was inspired by URI:

Men and women were created equal, but women continued to improve.

Created equal?

Didn't Hashem make you out of a peice of our ***???

Of course you improved.

Don't get much worse than that.

A Letter from Men to Women

To all women,

On behalf of all men I would like to clarify a few points:

The floor is considered an acceptable clothing storage location.

Never ask me to purchase feminine products. Assume that I will come home with the wrong thing.

When watching TV hugging is always fine because I can still see the screen. Kissing should only be done during timeouts and commercials. Questions should also be limited to this period as you stand a much better chance of getting an immediate response.

When we are watching your show and I change the channels during a commercial do not hassle me that they are over to change the channel back. I always know when the timing is right. Also, when we are channel surfing do not ask me to go back, there was a good reason why I skipped it.

If you need help with the laundry, I am more than willing to carry it from the bedroom to the washer.

In my mind this is half the chore and I am now free to return to the couch.

If I mention that a male friend of mine is allowed to do something it is not necessary for you to call his wife/girlfriend to discuss it.

If you don't like the way I am driving close your eyes. And I would appreciate it if you would refrain from making that reverse inhaling alarmed noise. I haven't hit anything yet and if I do it will be your fault.

I go clothes shopping to buy, never to look.

Just tell me what you want me to wear before I get dressed. And remember that this takes me less than ten minutes no matter what the occasion is. After all I am getting dressed, not getting ready.

Don't ask me if I prefer one outfit over another or if a certain accessory should be worn or not. I consider this a no win situation and would rather just wait for you to get dressed while watching TV.

If you want me to put the seat down when I am finished then you should leave the seat up when you are finished. It's only fair. And stop giving me a hard time about missing the bowl. What do you expect from an organ that has a brain of its own.

I will cook anything as long as it is on the BBQ.

Yelling to me across the house sounds exactly like stadium crowd background noise to me. I am not ignoring you.

Thank you for your understanding,

From all men.

SHOPPING MATH

A man will pay \$2 for a \$1 item he needs. A woman will pay \$1 for a \$2 item that she doesn't need.

GENERAL EQUATIONS & STATISTICS

A woman worries about the future until she gets a husband. A man never worries about the future until he gets a wife.

A successful man is one who makes more money than his wife can spend. A successful woman is one who can find such a man.

Why was the name "P.M.S." chosen ?

Because "Mad Cow Disease" was already taken.....

My wife's jealousy is getting ridiculous. The other day she looked at my calendar and wanted to know who May was.

A man inserted an 'ad' in the classifieds: 'Wife wanted' . Next day he received a hundred letters. They all said the same thing: 'You can have mine.'

After a quarrel, a wife said to her husband, 'You know, I was a fool when I married you.' The husband replied, 'Yes, dear, but I was in love and didn't notice.'

When a man steals your wife, there is no better revenge than to let him keep her.

An 80 year old woman was arrested for shop lifting. When she went before the judge in Cincinnati he asked her, 'What did you steal?'

She replied, 'A can of peaches.'

The judge then asked her why she had stolen the can of peaches and she replied that she was hungry.

The judge then asked her how many peaches were in the can. She replied 6.

The judge then said, 'I will then give you 6 days in jail.'

Before the judge could actually pronounce the punishment, the woman's husband spoke up and

asked the judge if he could say something.

The judge said, 'What is it?'

The husband said, 'She also stole a can of peas.'

Nope, can't believe I'm doing this....

A man was at his wife's funeral, when the coffin was suddenly bumped into a wall on its way out to the cemetery. Noise was heard from inside the coffin and when they checked, the wife was moving! She was eventually revived and lived on for years.

Ten years later she passed away.

After the funeral, her coffin was being carried out. As the pall bearers neared a corner, the old man yelled out: "Hey! Watch the corner!"

...can't believe I did that.
