Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

The economy is so bad, I ordered a burger at McDonalds and the kid behind the counter asked, "Can you afford fries with that?"

The economy is so bad, CEOs are now playing miniature golf.

The economy is so bad, if the bank returns your check marked "Insufficient Funds," you call them and ask if they meant you or them.

The economy is so bad, Hot Wheels and Matchbox stocks are trading higher than GM.

The economy is so bad, McDonalds is selling the 1/4 ounce.

The economy is so bad, parents in Beverly Hills fired their nannies and learned their children's names.

The economy is so bad, a truckload of Americans was caught sneaking into Mexico.

The economy is so bad, Dick Cheney took his stockbroker hunting.

The economy is so bad, Motel Six won't leave the light on anymore.

The economy is so bad, the Mafia is laying off judges.

The economy is so bad, Exxon-Mobil laid off 25 Congressmen.

And finally...

Congress says they are looking into this Bernard Madoff scandal. Oh great!! The guy who made \$50 billion disappear is being investigated by the people who made \$1.5 trillion disappear!

Friendship is like peeing on yourself: everyone can see it, but only you get the warm feeling that it brings.

When I die, I want to go peacefully like my Grandfather did, in his sleep -- not screaming, like the passengers in his car.

Behind every successful man is a surprised woman. - Maryon Pearson

Son, if you really want something in this life, you have to work for it. Now quiet! They're about to announce the lottery numbers. - Homer Simpson

"Flying is learning how to throw yourself at the ground and miss." - Douglas Adams

You tried your best and you failed miserably. The lesson is 'never try'. -Homer Simpson

Never go to a doctor whose office plants have died.

A computer once beat me at chess, but it was no match for me at kick boxing.

Everyone is entitled to their own opinion. It's just that yours is stupid.

Johnathan Katz

I had a linguistics professor who said that it's man's ability to use language that makes him the dominant species on the planet. That may be. But I think there's one other thing that separates us from animals. We aren't afraid of vacuum cleaners.

- Jeff Stilson

I have six locks on my door all in a row. When I go out, I lock every other one. I figure no matter how long somebody stands there picking the locks, they are always locking three.

-Elayne Boosler

I just broke up with someone and the last thing she said to me was, 'You'll never find anyone like me again!' I'm thinking, 'I should hope not? If I don't want you, why would I want someone like you?'
