Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Just before the funeral services,

the undertaker came up to the very elderly widow and asked,

'How old was your husband?'

'98,' she replied, 'Two years older than me'

'So you're 96,' the undertaker commented.

She responded , 'Hardly worth going home, is it?

Reporter interviewing a 104-year-old woman:

'And what do you think is the best thing about being 104?' the reporter asked.

She simply replied, 'No peer pressure.'

The nice thing about being senile is You can hide your own Easter eggs.

I've sure gotten old! I've had two bypass surgeries, a hip replacement,

New knees, fought prostate cancer and diabetes.

I'm half blind,

Can't hear anything quieter than a jet engine,

Take 40 different medications that

Make me dizzy, winded, and subject to blackouts.

Have bouts with dementia ..

Have poor circulation;

Hardly feel my hands and feet anymore.

Can't remember if I'm 89 or 98.

Have lost all my friends. But, thank God,

I still have my driver's license.

I feel like my body has gotten totally out of shape,

So I got my doctor's permission to

Join a fitness club and start exercising.

I decided to take an aerobics class for seniors.

I bent, twisted, gyrated, jumped up and down, and perspired for an hour..

But, by the time I got my leotards on, The class was over.

My memory's not as sharp as it used to be.

Also, my memory's not as sharp as it used to be.

Know how to prevent sagging? Just eat till the wrinkles fill out.

It's scary when you start making the same noises as your coffee maker.

These days about half the stuff in my shopping cart says,
"For fast relief"

THE SENILITY PRAYER :

Grant me the senility to forget the people I never liked anyway,
The good fortune to run into the ones I do,
and the eyesight to tell the difference..
