Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

why we need a man like Winston Churchill:

"A sheep in sheep's clothing"

On Clement Atlee

A modest man, who has much to be modest about

On Clement Atlee

"An empty taxi arrived at 10 Downing Street, and when the door was opened, Atlee got out"

On Clement Atlee

"I wish Stanley Baldwin no ill, but it would have been much better if he had never lived"

On Stanley Baldwin

"He occasionally stumbled over the truth, but hastily picked himself up and hurried on as if nothing had happened"

On Stanley Baldwin

"He looked at foreign affairs through the wrong end of a municipal drainpipe"

On Neville Chamberlain

Lady Astor to Churchill "Winston, if you were my husband I would flavour your coffee with poison"

Churchill: "Madam, if I were your husband, I should drink it"

Bessie Braddock to Churchill "Winston, your drunk!"

Churchill: "Bessie, you're ugly, and tomorrow morning I shall be sober"

"What could you hope to achieve except to be sunk in a bigger and more expensive ship this time"

On Admiral Mountbatten

Lather, Rinse, Repeat.

Uh oh.

A Stanford Medical research group advertised for participants in a study of obsessive-compulsive disorder.

They were looking for therapy clients who had been diagnosed with this disorder.

The response was gratifying; they got 3,879 responses one hour after the ad came out.

All from the same person.

A waiter approached the man studying the menu carefully at the fancy restaurant. "May I take your order, sir?" he asked.

"Well, I was wondering how you prepare your chickens." The man replied.

"Oh, it's nothing too special, sir," the waiter confided. "We just tell them straight out that they're going to die."
