Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Parked my car in a "no parking 8am-9am" zone at about 7:50. But lemazali there was another yid there, stnading over his own car, protecting it from the meter maids. When they came to give me a ticket, they just assumed both where his. Hmm now how does that work?

..... if she only had half a brain, they would have upgraded her to police dog.

shirt.woot.com/

The t-shirt only seemed mildly amusing to me - but I laughed my way through the product description!

[Rage ATM wrote on 16 Feb 2010 23:54:](#)

So the other day I went to the supermarket, and I was there for literally 5 minutes. When I came out there was a motorcycle cop writing a parking ticket. So I went up to him and said, "Come on, buddy, how about giving a guy a break?"

He ignored me and continued writing the ticket. So I called him a pencil-necked Nazi lover. He glared at me and started writing another ticket for worn tires!

So I then asked him if his psychiatrist makes him lie face down on the couch cause he's so ugly. He finished the second ticket and put it on the windshield with the first. Then he started writing a third ticket!

This went on for about 20 minutes... the more I insulted him, the more tickets he wrote. I didn't care. My car was parked around the corner.

Thanks, Rage, I laughed louder than ever! And no people are around. It's weird, you know...

BTW, a similar european (polish, probably) joke my father used to tell me every few years was about a jew on a train and an antisemitt' (say it *right* if yer gonna say it) comes over to him and tells him to put the suitcase at his feet into the berth. The yid ignores him and begind to shake and mumble. The phillistine gets irate and the yid just starts to sing something and shukle some more...finally the guy grabs the suitcase and heaves it out the window with a wild laugh.

The yid is sings more cleary and with a bearylly recognizable smile: "iz nit eh-mineh valisko..."

(go ahead and sing it once in a while).

PS. Once in a while, when lust comes around knocking on my little brain's forgotten open window, I sing "iz nit eh-mineh valisko!". Might as well have some **fun** being sober, no?

Oh yo didn't know that there is a callander on this site? It's the toolbar between :

OK who knows what the stars under my username mean. It's not from the WOH b/c I unceremoniously walked off of there. And I don't think it's for a clean streak, since my sobriety was not documented on the system.

Mybe it's for how long I have been a member?? But I there are others who have been on here since the launch of the forum? OK mybe it's rating how much I read that person's threads???

I'm stumped???

I think it has to do with how many posts you've made - kinda goes along with your membership level - but anyone who got a "married" status got bumped back down to one star.

I understood that it has to do if Guard likes you or not, over 3 he like you.

why did your scanner give you all those randomly placed "digitalizations"?

I don't like Dr Suess, I was always scared of his pictures as a kid, and they still freek me out to this very day.
