Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

If anyone wants to see a funny yet sad article, I copy and pasted it over here so you wouldnt have to go to the news site ;D :

[rehab-my-site.com/guardureyes/forum/index.php?topic=463.315](http://rehab-my-site.com/guardureyes/forum/index.php?topic=463.315)

I wonder what they do with all the rubbish people are trading in? Mybe they recycle it, and from those very 'unholy' wood fibers, they create the pages for the p--- magazines!!!

Hey, one day you may have to worry about p--- in the nightstand of every hotel room.

Here's one idea is bound to make people happy. They should buy-out all the -hristian missionary channels on TV, and replace them with free 'adult content'. It wouldn't be much worse then what's on there already, plus I can't immagine too many people complaining. :D

OK one more joke. why couldn't they find something usefull to trade it for.....like toilet paper ;D

I wasn't sure, so for what it's worth I sent a text to the whitehouse (ok it was really an email). I'm gonna post what they send back

I got it!!!!

Dear Friend:

Thank you for writing. I have heard from countless Americans struggling to afford health insurance, as well as health professionals striving to provide care, and I appreciate your perspective.

I recently released my proposal to reform our health insurance system. To learn more about this plan, please visit:

[www.whitehouse.gov/health-care-meeting](http://www.whitehouse.gov/health-care-meeting)

and

[www.healthreform.gov](http://www.healthreform.gov)

Reform must provide more security and stability to those who have health insurance; give those without insurance affordable options; and lower the cost of health care for our families, our businesses, and our government.

I share the sense of urgency that many Americans have voiced to improve health care in our country. Together, we will fix it.

Sincerely,

Barack Obama

### **10 things not to tell the cop whne he pulls you over**

-- I can't reach my license, can you hold my beer?

-- Sorry, Officer, I didn't realize I was driving.

-- Wow, you must've been doing about 125 mph to keep up with me!

-- I was going to be a cop, but I decided to finish high school instead.

-- You're not gonna check the trunk, are you?

-- You look just like my girlfriend's deadbeat ex-husband.

-- The question is .... do YOU know why you pulled me over?

-- I was trying to keep up with traffic, and it's miles ahead of me.

-- If you have to ask if I've been drinking, I'm not going to tell you, dude.

-- It wasn't my fault .....when I reached down to roll this joint, my gun fell off my lap and got lodged under the brake pedal.

### **The hillbilly version**

-- That's a sweet 9mm. You want to hold my .44 magnum?

How about when the cop says, "Sir, you were doing 73 in a 35mph zone....you know, I've been waiting **all day** for you, buddy.":

Try responding: "Well, officer, I got here as fast as I could."

"I've been driving this highway to work for years, and this is the first time you guys ever said anything! "

cop: sir please step out of the vehicle...

"But I wasn't speading, I always go this fast..."

cop: Sir, You have the right to remain silent...

"Are you reading me my maranda rights!?"

cop: no Sir, just a suggestion.

OK the last post would only have been funny, if I could have inserted the banner on the post itself.

Anyway, I am working on organizing a GYE-USA chol hamoed trip. It took a while, but I think I found the perfect place: Woodford Reserve Distillery

7855 Mccracken Pike, Versailles, KY

(859) 879-1812

Be sure to mention the special GYE rate, when booking your group ticket.

Guard your eyes is gematria...um...gimmel aleph reish daled (208) yud vav reish (216) aleph yud samech (71) = 495.

Woofdord is...let's see...vav vav daled pei vav reish daled (306).

Hm...uh...90 proof, so that brings us up to 396...and if you drink 1-ounce shots, then that's about 32 shots per 1-liter bottle, and in a 3-liter obttle, that'd be 96 shots, so that brings us up to 492...

Any ideas?
