Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

I need some chizuk, guys. It's the 6th day of Pesach and that means I've been 6 days without Woodford. I've been holding on so far, but I don't know how I'll make it through the end of Pesach. Any tips ?

;D ;D ;D

Well, I tried some 100 proof shlivovitz and it was horrifying. Just plain horrifying. No wonder hungarians eat goulash - *anything* to erase that shlivovitz!!

LOL!!!!

that was funny.

only problem is - now I gotta clean up the coffee that got snorted out my nose when I was laughing.

ok - I'll deal with it.

I don't recall where I read this - but the letters for Negga are the same as Oneg, it's just a matter of how we see things.

Thank you dear Ragemeister for sharing this precious jewel with us. We laughed till we cried and agreed that you need either more, or a different variety of, medication.
