

TRIGGERS!!!!

Posted by Pidaini - 19 Nov 2013 02:11

Ok, this was TZ's idea, so any problems contact him!!

We were discussing how different people have different triggers.

oh, sorry, triggers meaning things that get them to post.

Like if you mention black jellybeans, then you're sure to have the Monster Bus on your tail.

If you don't use your real first name, you'll be hearing from Dov.

Try mentioning anything about your wife somewhere other than the BB forum and you'll have the zucker bombarding your thread.

more triggering tips to come

Back to the original topic....

If you post for the very first time on the forum, chances are you will probably trigger at least 3 or 4 people (if not more!) to respond immediately with a warm welcome! Should I name names?

The Beis Yosef tends to end a complicated talmudic discussion with: "upasku haposkim"...

'cuz what else do they do, right?
