L'kuvid CHabibi Harav R' Kadur Shlita"h

I have heard of the project that you are working on by the name of "Zemiros Shabbos K'Hilchasoi" authored by my good friend Harav Hagavoah R' Zemmy G Shlita"h. My heart was warmed when I heard the good news for it has been a while since I have seen the wisdom of pearls of my dear friend!! It seems that he has gone into hibernation, perhaps he is evolving into an even greater specimen.

I do have one He'ara though, perhaps the name should be "Zemiros Shabbos KehilchasAH" or probably "KehilchasAM/N! Or maybe you are right keeping it singular since one of the Ba'al Mechaber's favorite mindsets is "One Zemmy at a time"

I thank Hashem for granting you the serenity to accept this lofty work, and for giving you the courage to change the world with the Ba'al Mechaber's enlightenment, and for giving you the wisdom to choose this from many of the other options that I'm sure you had!!

May you see Hatzlacha in your ways!!

The undersigned

The small, Yaakov Pidaini, who resides (seriously) here on GYE

MEGILLOS HaRaD (Rabeinu Dov Shlit"a)

Compiled by Gibbor (yes, he doesn't only lift weights), this is a collection of essays (SA?) on spirituality, and recovery from addiction.

Are you ready to take action, i mean **real** action, for your recovery?

Are you ready to face yourself with brutal honesty?

If you can answer YES! to both questions then this book is for you.

Eh, contact Gibbor to place your order.

Oy! this is as heartwarming as a glezel woodford!!

btw DMS, I wouldn't have seen this, but a certain particular bird [whom I love very very much] decided to do a GYE search on Tehillim Zugger, which is what led me to seeing this, so there!
