

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??
?????? ????? ????? ????? ???]

Can we get rid of the Warning Spoilers? Isn't this topic Hardcore for a reason?

On a side note to add: We best abide to one of Our founding fathers' cry during the war of independence, "let us all hang together, or assuredly we shall all hang separately".

The IRS sents down a guy to audit a shul, so this guy meets the Rabbi in his office and questions him about everything. Seeing that he can't catch the Rabbi with anything, he decided to get smart and asks the Rabbi, Tell me what to you do with all the edges and crumbs of the cake? The Rabbi responds, We send it back to the Bakery and every once in a while they send us some rum balls. Ok, so what happens to the wax drippings of the candles? Why, we send it in to the candle company and every so often they send us a candle back. Seeing he can't

outsmart the Rabbi, he asks, So tell me Rabbi, WHAT Do you do with the foreskins from the circumscisions? Oh, thats the easiest of all, WE send them in to the IRS, and every so often they send us back a little prick like you!

Thanks for the stars!

I was interested in the chat room because I wanted a place where I can communicate with someone directly when I catch myself in a nisayon and have the presence of mind to talk to someone. That can sometimes happen on the forum.

I don't know about joking because I just went to the chatroom once to check how it works & I had nothing particular to say.

if I know mark at all, he was asking abt joking b/c he likes to make jokes himself and he was

asking permission to do so in ur thread. (I feel like mark has his posts translated a lot)

Now we have a zimun at the tisch - ver geit bentchen?
