

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??
?????? ?????? ?????? ?????? ???]

FREE-HARDCORE-CORNOGRAPHY

Can you guess why PA put the word "Free" at the beginning of his string?

Can someone please try answer that trivia question? It's soooooo obvious!

[peloni almoni wrote:](#)

it can be one or more or less of the following reasons:

1. its the only kind of corno that i know. as a good pious practicing jew, i never did like to pay for my corn.

2. its more attractive to get offered free good-quality high-definition corn. and i want people on my blog, watching my cornographic productions and submitting their own homemade corno's. so i (as yesod so eloquently put it) lure them in with the proverbial toothy grin, etc.

so in one word - advertising.

3. because its free

4. if you have to pay for jokes, they become less funny. its the truth. the whole time you're thinking if you got your money's worth instead of lightening up and enjoying yourself. the same is true with enjoying a good corno.

to be continued...

PA - DO NOT CONTINUE!!!

You are Wwwwaaaayyyy off mark!!

Can someone else please give it a shot, before I have to spill the corn???!!!!

my dear reb mark, i have two things to say.

1. regarding what i wrote about diarrhea, for some people it's hereditary - it runs in their jeans.
2. do you remember Tigger? he spent the whole day looking in the toilet for Pooh.

also, another 2 things.

1. i did not understand karmas until mom bichvodo uvatzmo explained them to me the night of the poll last week. so ... i cant say i completely dont care about karmas, but potentially losing them wont stop me.

2. might i suggest a pair of dark sunglasses for you car, as its wandering eyes are against the gye spirit. as it seems like you are doing some remodeling anyway ...

- 1- I have been known to add 20 karmas per user in a short stretch of time. I assure you I can do the same ??????. when you reach -1 you will run out of the toilet, and cry to the admin to save you

I have a hard time minusing Your karmas, cos some came from me, so I'd feel like I'm kicking myself in the pants (not the 1st time)

2- wandering eyes are preferred according to the revised version of the 12 steps posted on the (supposed to be) dirty jokes forum
