

## FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

## HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

## Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??  
?????? ?????? ?????? ?????? ???]

A hip young man goes out and buys a 1997 Ferrari GTO . It is the best and most expensive car available in the world, costing about \$500,000.

He takes it out for a spin and while stopping for a red light, an old man on a moped (both looking about 90 years old) pulls up next to him.

The old man looks over the sleek, shiny surface of the car and asks,

"What kind of car ya' got there, sonny?"

The young man replies, "A 1997 Ferrari GTO. They cost about a half million dollars!"

"That's a lot of money," says the old man, shocked. "Why does it cost so much?"

"Because this car can do up to 320 miles an hour!" states the cool dude proudly.

The moped driver asks, "Can I take a look inside?"

"Sure," replies the owner.

So the old man pokes his head in the window and looks around. Leaning

back on his moped, the old man says, "That's a pretty nice car, all right!"

Just then the light changes so the guy decides to show the old man what his car can do. He floors it, and within 30 seconds the speedometer reads 320 mph. Suddenly, he notices a dot in his rear view mirror. It seems to be getting closer!

He slows down to see what it could be and suddenly, whhhooooosshhh! Something whips by him, going much faster! "What on earth could be going faster than my Ferrari?!" the young man asks himself.

Then, ahead of him, he sees a dot coming toward him. Whoooooosh! It goes by again, heading the opposite direction! And it almost looked like the old man on the moped!

"Couldn't be," thinks the guy. "How could a moped outrun a Ferrari?!" Again, he sees a dot in his rear view mirror! Whoooooosh Ka-BlaamMMM!

It plows into the back of his car, demolishing the rear end. The young man jumps out, and it IS the old man!!! Of course, the moped and the old man are hurting for certain. He runs up to the dying old man and says, "You're badly hurt! Is there anything I can do for you?"

The old man moans and replies, "Yes, Unhook my suspenders from your  
side-view mirror!"

There are dirty jokes being posted on a different thread, so in return I gotta post a clean joke  
here

**Anyone had issues with Microsoft Programs?**

**The ultimate Revenge**

"Brussels police department, how may I assist you?"

"Uh.. yes.. I just got hit in the face with a cream pie."

"Okay, sir. Have you called the Brussels police department before?"

"No"

"Well, let me get a little information about you for our records. Your name?"

"Bill Gates"

"Country?"

"The USA"

"Native language?"

"English"

"Okay, sir. Your police department ID number is BP31415927. Please use this number the next time you call. Now, you say you were hit in the face with a pie?"

"Yes, I was just about to meet with the Belgian Prime Minister. One person distracted me while another hit me with a cream pie."

"We've had other customers report that they were hit in the face with a custard pie. Are you sure it was a cream pie?"

"Well, I have white stuff all over my face and I don't see any custard, so I really don't think it was a custard pie."

"Have you visited the Prime Minister before?"

"Yes"

"Were you hit in the face with a pie then?"

"No"

"Hmm... have you visited any other Prime Ministers in the past month?"

"Yes"

"Any pies then?"

"No"

"Okay, well.. let's try something. Go outside the building and come in again. I'll wait."

"Just a minute.."

This type of humor is really not me, I sure it helps others, so maybe once in awhile I will read. I have other focuses here, and I will search them out. My prayers is for all to have victory over pornography, and self abuse.
