

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??
?????? ????? ????? ????? ???]

shout out to markz and gevurashebyesod who reached out during my dark period ... kept me somewhat sane, pushed me just enough to help me break out, yet gave me my space. kudos to you.

I don't know what's exactly going on in serious threads, but something tells me PA and Dov are related, or they're drinking from the same tap

It's crazy funny. It's an ad for a grocery store in Monsey so somehow it made sense to them to advertise that the store is a family type store by having two young guys playing dreidel and hovering over two chassidishe kids.

Why not a mom and dad and their kids? Bc we don't put women in our magazines. So instead you have a group here that leads you to the conclusion that a) those two guys ARE the orients, or that b) they are a little creepy.

Ends up standing out a lot more than just putting a nondescript chassidishe couple with kids in there.

Is it just me, or have jewish grocery stores gone a little too far with their advertising.

Oh yeah, i really love a push for a kosher shopping experience in the middle of a music video

Don't get me started on Jewish suit store advertisements...

I have a high suspicion that all their advertising companies decide the designs for the entire year on Purim, which is why the day to read ALL the ads is today, so Happy reading

agav - some inyana deyoma: my rebbi says that the eicha niggun for parts of the megilla is so the litvish would have some simchas purim also. and he is a hard-core old-school litvak

I knew there was a reason I liked it!

The big shaala is,

Why don't they do the whole thing in the tune of Eicha?

I guess because that would already border on 'hollelus'

he is the kind to walk into a freezing room and say: "man, it's colder than a litvak in here!"
