

## FREE HARDCORE CORNOGRAPHY

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

## HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

**Warning: Spoiler!**

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??  
?????? ?????? ?????? ?????? ???]

Hello I have decided to do a daily corny joke.

here goes.

**(#168) A stay in hospital** Rabbi Levy had to spend time in a Catholic hospital. He became friends with the Sister who was a nurse there. One day, she came into his room and noticed that the crucifix on the wall was missing. She asked him good-naturedly, "Rabbi, what have you done with the crucifix?" "Oh, sister," chuckled Rabbi Levy, "I just figured one suffering Jew in this room was enough."

I haven't got a computer, but I was told about Facebook and Twitter and am trying to make friends outside Facebook and Twitter while applying the same principles.

Every day I walk down the street and tell passers-by what I have eaten, how I feel, what I have done the night before and what I will do for the rest of the day. I give them pictures of my wife, my daughter, my dog and me gardening and on holiday, spending time by the pool. I also listen to their conversations, tell them I "like" them and give them my opinion on every subject that interests me ... whether it interests them or not.

And it works! I already have four people following me; two police officers, a social worker and a psychiatrist.

Judge to Pichus the gabbai: Stop getting engaged in such ridiculous rituals.

Pichus: I didn't get engaged in a rich shul or any other shul.

Boy #1 pretending a judge: ... that is not dignified!

Boy #2: What's dignified?

Boy #3: It means if you dig you'll find.

I hate to edit but that was the johans lawyer when Yehuda brings I. The Pail of water

"your honor I object the boy is engaging in some religious ritual"

reb pinchos- "he's not engaged in a red shul or any other type of shul"

There's an interesting common thread in this corny thread.

Any volunteers?
