

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??
?????? ????? ????? ????? ???]

Nice! Where's the nearest meeting? Maybe we should have a daily conference call?

Over-Serious Anonymous12-Step Program

- 1.** We admitted that we were powerless over seriousness -- that our lives had become unmanageable.
- 2.** Came to believe that only by lightening up could we achieve a state of non-seriousness.
- 3.** Made a decision to turn our constant self-criticism over to our sense of humor and learn to "lovingly and wholeheartedly" laugh at ourselves.
- 4.** Decided to give ourselves a break once in a while, instead of constantly doing searching and fearless moral inventories of ourselves.
- 5.** Admitted to God, to ourselves, and to another human being that our wrongs were often in our heads.
- 6.** Were entirely ready to accept that our characters were as good as anybody else's and possibly better than most.
- 7.** Quit harping on our shortcomings.
- 8.** Made of list of all persons we thought we had harmed and saw that they'd forgotten all the crap we'd blown out of proportion.
- 9.** Quit making amends for breathing air and taking up a few square feet of the planet's surface.
- 10.** Resigned ourselves to the fact we were going to criticize ourselves at times, but would try to stick to our guns when we knew we were right.
- 11.** Sought through prayer and meditation to calm down and realize we're not responsible for everything.
- 12.** Having experienced immense relief from these steps, we would try to carry this message to other over-serious people and to practice these principles in all of our affairs

Awesome Shlomo! I love it! Some things mean more when then come from the right guy.

Awww, gee thanks. A guy read it at a meeting.

and i suppose for chazeres they used seahorse raddish. my only question is what did they dip the karpas into, as they are surrounded by seawater.
