

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??
?????? ????? ????? ????? ???]

seems like this recycled bit of corniness belongs on the thread:

I though I could do this alone

I have an urge to make an inappropriate comment about the user "in a struggle", and get some hell from the community, but I am better than that.

I have an urge to make an inappropriate comment about the user "still going", and get some hell from the community, but I am better than that.

THUS ENDS THE PASSOVER BATHROOM SEGMENT. THE ASHER YATZAR HAS BEEN MADE. PLEASE CONTINUE TO POST OTHER-RELATED CORNOGRAPHY.

I need to hide my identity

If I wear this to work, will it be apparent that I'm a gye member?

This question is relevant for all the holy members you mentioned too

Make sure you don't don this, as you will be easily found, and there may be 5 gyes that want to hang you on a 45' plumbing line

If you have people after you, I'm sure you know the safest haven to run to, as Saul discovered when chased by King David...

Am I going to be raining on the parade when I ask if we can move on from the bathroom jokes?
I know- what, you looked at pornogrpahy but bathroom jokes are too dirty for you? Yup.

Just a request. I know it's not my thread but GYE is a high level place and of course I know
there is a JHF section, but this seems a little under the level of the chohsuve guys on the forum.
Just my thoughts.

I think PA you dont realize that all the choshuve gyes have committed themselves to this thread,
you have a serious following - probably more than I do.

I think it'd be worth investing in a PR advertising bored

btw WG is a nice soft spoken fellow, but I would've been seriously offended if you considered
me a Rest-stopper. I wouldn't now, b/c we know each other too well, but I think you should
review the list of 4 mentioned above

I have 4 that deserve that seat, but due to internal and mod pressures, I gotta keep them
between Me, my selfie, and Eye
