

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??
?????? ?????? ?????? ?????? ???]

A skeleton walks into a bar and asks for a beer and a mop.

Ok, I give up. Am I the only one who doesn't get it? :-)

Yeah dude

After delving into the deep and hidden sources, for 71 hours with neither food, nor drink nor sleep, I will share with you my findings on the deep hidden mystical meanings of the above statement.

The skeleton represents our inner core, what is left in us after all of the outer layers are peeled away. "Walking into a bar" is a well known phrase in the esoteric sources as referring to a 'yerida' - a fall. When our skeleton walks into a bar it means that deep down in our inner core we had a fall.

Filled with disgust and a sense of wrongful longing (and more disgust for that longing), we ask for a mop and a beer. The mop is representing teshuva - cleaning up our mess. but when we ask for the beer together with the mop, we are showing that our teshuva is not sincere. We still want our forbidden fruit - as represented by the beer. So long as we are asking for the beer together with the mop, we are fooling ourselves in thinking that our 'teshuva' is any more effective than mopping the floor with beer.

Thanks dude. Truly an amazing post you wrote. :-)

quite literally laughing out loud here. AWESOME!!

thank you tzitzis dude for bumping!. and, yes, your joke was dope too.

DEAR FRIENDS

I WOULD LIKE TO EXPRESS MY GRATITUDE TO THOSE WHO HAVE CONGRATULATED ME EITHER BY EMAIL OR PM ON THE OCCASION OF MY AVATAR MAKING IT TO THE CHIZUK EMAILS THIS PAST WEEK. THOSE WHO DID NOT OFFER ANY CONGRATULATORY WORDS - ITS OK, I AM WORKING ON MY EGO. (ITS FUNNY NO ONE SAID A WORD WHEN ANY OF MY DIVREI TORAH WERE SENT OUT.)

ANYWAY, I WOULD LIKE TO SHARE A PICTURE THAT I THINK HAS A LOT OF DEPTH:

I got a new pair of gloves today, but they're both "lefts", which on the one hand is great, but on the other, it's just not right.

Gloves, Hand Sanitizer and a what else?

Boy you are really behind the times.

Nobody told you that Covid is over?

Hey we're in 2021 for goodness sake. Like hey we are in the new era - like, you know, nowadays in America buildings do not simply fall down...

I just learned a very important piece of information that if you click on the "warning spoiler" there's more words I would see writing only the first half of the joke and get frustrated why on earth are they not finishing the joke I thought maybe they were well known jokes so they just put the first half but I thought it was strange we learn new things everyday.

reminds me of a joke a guy walks into a bar and sees a group of guys bullshoving he goes over, and one guys screams out 212 they all burst out laughing the next guy says 342 they are rolling he asks what's going on the guys say we sit here all day saying jokes we know them all, so we just say the number and we remember witch joke. he says wow can I try, they say sure, he says 168 no one is laughing, he asks why is no-one laughing a guy from the back leans in and says buddy, you need to know how to tell a joke!
