UAJ, I can't figure out if you are joking or not.

I sure hope he was jokin' (although it belongs in the 'dirty jokes' section - Markz, do we have one?), for it borders on the absurd.

Cordnoy when you're back in custody - you'll be placed in a different cell with new reading material, and also this new post you've been assigned to

All others are free to post,

AT RISK OF LOSING ALL YOUR KARMA'S ouch

As the founding member of this "dirty jokes" post I will be monitoring that this post doesn't get out of hand, cos if you do we have these ready for you

oh no! I read the first (two) posts after I posted here. frankly, I still don't understand it. are you going to arrest me for posting here, or will I loose my karma's, because if I have any say in the matter, I'd take the jail time.

I only arrest guys that post dirty jokes

Apparently you don't have a clue what those are, so - you can drop your hands!

You probably never heard the thing before, and googled 'dirty joke'... I'm happy to hear your internet search sucks if that was the result (you have your ge-filters firing away)

But anyways

This may be relevant to Markz too

So if this thread isn't for d.j.' then what is it for?

[stillgoing wrote:](#)

Bigmoish

Better idea: Don't google these things. Please. (Or anything that cordnoy says that you don't understand, for that matter)

Uhh, what about what Bigmoish writes, can I google opaX2t? (Unless you mean the kind of tea drunk by a german grandfather with two grandchildren...)

I totally agree with kedusha. Here's the best training schedule for you:

Year 1: Get healed. Therapy with Reb Shraga

Year 2: Help many others heal on GYE, while taking a course on how to be a professional counselor.

Year 3: Get paid by GYE to offer phone counseling

Year 4: Get promoted to GYE Admor

Year 5: Get rid of guard (hit men), and take over GYE (which by then will be a mulit-million dollar org.)

Year 6: Get help for PA (power addiction) ;D

Beautiful Uri! Good to have you back.

So many people are "afraid of expression because they are afraid of failure" - as you so beautifully wrote. And so they don't express the beautiful thoughts inside them. And that's a shame. It is clear that **you** do not have this problem. And that's GOLD.

P.S. Everyone, when you discover *your* gold, please hand it over to GYE **(like uri's doing!)**

P.P.S. I did my homework Uri, but I'm afraid I messed it up. What will the world say to my failure? :-[

Sorry, just saw this. The way it's always gone is I ask questions, you give answers. I'm not qualified to switch roles. Maybe ask Cordnoy, it intrigues him and he's a bigger lamdan.
