Karma is like kavod. If you're actively pursuing it, you're probably not getting it. People raise each other's karma when they particularly like a post or something.

I like that post, so I raised your karma. :-)

So, I get my quotes from all sorts of different places. This one is a new kind of source even for me. Standing in line at the post office, I saw a great quote tattooed on the ankle of the guy in

Here's the quote:

I think that you probably shouldn't have taken a picture even not for SSA reasons. Privacy. Lol.
Life kinda sucks though when you fight for what you love and you also lose it.
