

Pun Intended

Posted by gibbor120 - 30 Aug 2017 15:39

This one just came to me. I can't beleive this topic has not been started yet. I will start with the first one and lets see where it goes from here.

what happened to the agnostic dyslexic insomniac?

He was up all night wondering if there was a dog.

a cylinder had a radius of z and a height of a, what was inside

$\pi * z * z * a$

But couldn't stop myself, so I came here to be aided.

(The rest isn't punny and belongs on another forum,)

"Hishomer lecho (pen) [PUN] yifteh levavchem"

Free translation: Take great care (lest) [lust, the PUN] will distract my heart from you.
Then I realized it's addictionary and knew I had to stop.
