Safe spot for the non SA folk over here

Posted by bb0212 - 07 Feb 2018 18:50

Just realized this:

This board is for non-addiction related threads

That means that us non addicts can be free here! The addicts can't tell us we're addicted - at least not on this board.

This is so exciting!

Warning: Spoiler!

I don't believe I belong here, but for you guys that are still sane odaat - here's your 12 STEPS

1. We admitted we were powerless over nothing- that we could manage our lives perfectly and those of anyone else who would allow us.
2. Came to believe there was no power greater than ourselves and the rest of the world was insane.
3. Made a decision to have our loved ones and friends turn their wills and lives over to our care even though they couldn't understand us at all.
4. Made a searching and fearless moral and immoral inventory of everyone we knew.
5. Admitted to the whole world at large the exact nature of everyone else's wrongs.
6. Were entirely ready to make others straighten up and do right.
7. Demanded others to either "shape up or ship out."
8. Made a list of all persons who had harmed us and became willing to go to any lengths to get even with them all.

9. Got direct revenge wherever possible. Except when to do so would cost us our own lives or at least a stiff jail sentence.

10. Continued to take the inventory of others and when they were wrong promptly and repeatedly told them about it.

11. Sought through bitching, complaining, and nagging to improve our relations with others as we couldn't understand them at all, asking only that they knuckle under and do things our way.

12. Having had a complete physical, emotional and spiritual breakdown as a result of these steps, we tried to blame others and to get sympathy and pity in all our affairs.
