

L'chaim! Let's Celebrate!

Hi everyone, I realized that there are so many guy here that really need to celebrate, yet all we do here is talk about our problems and how to solve them. Sometime, when a guy is doing well, we really need to celebrate together, lift the spirits of everyone, even those who are going through a rough time.

...So I would like to make this place for anyone who feels like they deserve a l'chaim. Or for anyone who thinks someone else deserves one, they should give them a shoutout as well.

Please note, Friday night there will be no ice cream, only cholent and drinks.

L'chaim!

In the recreated Grodno:

1) ?Pepsi is the new alcohol.

2) Kokosh binging has replaced all-night-porn-escapades

3) Pictures of R' Shimon everywhere I look - remind me to be a nice good boy.

Oy givald, what an amazing city I live in!
