My goal is not to stay stuck in the *mashal* but to identify myself in the *nimshal* as I'm reading the story for the sole purpose of improving my behavior and my life... with the help of Hashem. Thank you Grant!

Grant.

Thank you for being patient here which is not easy virtue for any of us on gye that are trigger happy.

Perhaps it was a plot. the.guard put you on hold for a bit as revenge for all the times you kept

But seriously, thanks for taking the time out of your busy schedule to revive the story line.

How about change the Topic header to "Righteous Indignation Story (see first post)", cos, like, hey, everyone knows you're the story teller...

Thanks for bearing with everyone's issues and comments. I hope you don't revise the story line.

Post away and let the comments come....

You know you cannot make everyone happy all the time.

Ahem, why are we limiting the thread to one specific story?!? Unless you don't want WWIII to break out...

Oh wow, I didn't realize there's more sections to come!

I was just wondering. Apparently you have the full novel recorded somewhere, because you miraculously managed to re-start the story with many sections yesterday.

As a buddy, please be nice and copy a few more new sections. It's a simple copy and paste.

I actually copied and pasted it from the original thread. I do not have them. Also, the rest isn't written up yet, that's why when I'm busy I do not post another chapter.

Also

Warning: Spoiler!

We have to make sure our story teller gets plenty of rest. Doyle killed Holmes when he got too busy...

Warning: Spoiler!

I know many people here think I'm "trigger" happy, but I'm not looking to kill anybody off.
Elementary, my dear!

Grant I think the guard in the Bearskin Hat and Purim Face mask is gonna put you on his hit list
to protect her Majesty the Queen unless you get the next part of the story up ASAP

The last paragraph had me thinking...

"I hope I never cause another person such pain"

Moe treats chani just like porn treats me.

Porn tells me, I'm here for you, i love you, I won't the best for you.

But just like in the story. moe is currently completely self obsessed and self centered. Chanie is making a big mistake (forget about religion and commitment for a moment) by getting involved with him.

So to the porn industry and the actors dont give a hoot about us, all they care is to make money, even if it ruins our lives. We shouldnt get involved not just because it's a sin, its just a really bad idea period.
