

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

Agreein' with the first part, not the last sentence, but that's fine.

I'm tryin' to figure out, what is that makes guys send me Cordnoy's avatar every once in a while? Heh?

I'll say it in two simple words:

Mentchlichkeit, anyone?

Warning: Spoiler!

Just wondering (and maybe grumping), why is it that my wife makes me breakfast in the beginning of the week, and I take it to work and leave it in the fridge, yet for my kid she makes it fresh every day and takes it to his school? What am I, chopped liver?

=====

Phew! At least somebody remembers something positive too
