

The Grouchery: Haven for the Grumpily Disgruntled

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no**: Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

**Enter at your own risk!**

\*shakes head\*...

There I am this morning in the hospital after a really long day and night (that ended in a c section with everyone healthy, BH, but I digress), and my shvigger asks my wife what I'd like to have for breakfast and she'll pick it up. My wife tells her a Hobo (the egg and hash brown sandwich, not the homeless-type dude, just to clarify). A shandeh in and of itself, because by the time it would arrive it would be cold and yucky. But is that all? No! That is not all!

Even assuming that I'd have wanted a cold hobo, she goes and puts frikkin lettuce and tomato in the sandwich! Seriously, what in the blazing inferno was that???!?!!

\*shakes head once again in extreme distaste and disgust\*.

That sounds like I owe you a huge Mazal Tov!! Boy or Girl??

BH, a 10-lb boy.

Over a week overdue, and BH doesn't look as much as an alien as they usually do.

I would post my own Grouchery ( is that a verb) which The Lord knows is pretty intense, but I dont want to ruin the feel good cozy fuzzy vibes that healthy 10 lb babies provide with.

f&^\*!ing idiots ruining the grouch thread. What the point of a grouch thread if people are going to be so flippin' positive on it that we feel guilty giving a proper grouch.

@redfaced please ruin the good vibes. Defecate allll over those good vibes. We're counting on you!

It was raining the whole week.

And it's raining.

I don't have a chavrusa first seder since Purim Katan.

And it's raining.

Boy, am I grumpy today.

And it's only 10 am.

I might be in bein hazmanim mode already, and in no way do I intend to make you feel better (on this thread), but boy can I relate to the grumpiness.

I thought that being in my wives territory will cheer her up, but that didn't happen. In fact, I was just thrown under the bus!!! I'm not grumpy, I'm furious. And I have no phone to be in touch with anyone, so, I lose! and, I don't even feel better writing it out...

Bad day!

He Who complains about the rain , deserves to get caught out in the rain . In Burma. On a rainy day . When its raining . During ??? ???. With holes in his shoes . And socks . With no umbrella. Or Galoshes. When he woke up late . And is tired . And spilled his coffee. On his feet . That has holes in his shoes . And his socks.

Dude, this is the Grouchery show up with something real .

Totally agree, Mad Eye! He's clearly not wet enough.

Shall I bewitch Peeves to lob water balloons at him all night?

Or better yet, how about we bewitch him to spend the night in the Prefects bathroom with

Moaning Myrtle, eh???

Last week was earthquakes. Now the stupid sun is going out?! I DO NOT HAVE TIME FOR THE APOCOLYPSE THIS WEEK I NEED TO GET READY FOR PESACH!

Related rant. Why do non-jews get such cooler names for things. They get the "Apocolypse", sounds fun exciting and dramatic. We get "chevlei mashiach". 10x more boring name.
