

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

Hey ProudYungerman,this is what a valid rant looks like !!!

Greatest compliment I've ever received .

Now go get your rant off the couch and sign up for an accountability pardner

Or else he'll turn you into a white, furry ferret.

Professor Moody, is that a student??!

Well, technically it's a ferret.

Notice that the original post was edited. First I wrote "PLEASE refrain...". Then I remembered that is the grouch spot, so I removed the please. If you can't follow rules, get the beeeep outta here....

I would write I'm having fun with you guys, but that wouldn't be right on the grouchery, so I won't do that

I don't know what you want from me. I was looking for an emoji that looks the most similar to your avatar, with one eye closed. And this is your gratitude, huh?!
