

The Grouchery: Haven for the Grumpily Disgruntled

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

**Enter at your own risk!**

What charm did you use to turn his wand into an asparagus, Professor?

I dont really care, Harry Potter is just for dumb, bleary-eyed, fantasy-inclined, bubbleheaded, muggles anyways?

What a complete waste of time!

I hope that was grouchy enough, it hurt to write that.....

For this post, and the post about cartoons you just posted on Bennyh thread, immediate action must be taken.

Red lines were crossed.

I will not turn you into an Asparagus. Only Eerie deserves that.... this calls for something more drastic!!

Mad-Eye, go get him!!

Oh how I hearken for the good ol' days when the grouchery was kept neat and clean, just grouches. Why can't people just grump, grouch, and complain like they're supposed to? Why does everything need to have smiles, jokes, and positive camaraderie?!? Why must the Emeseh grumps suffer from everyone else's stupid happiness?!?!?

(Maybe I'll make a breakaway...only real grumps allowed and must be confirmed by the mods to gain access...)

Those who want to have fun are welcome to open a new thread called "The Funnery" or something similarly stupid like that!!

Have a terrible night!

P.S. @Redfaced - I don't give one darn, two wooden nickels, or even 10 african dwarf frogs about your thoughts on this "terrible, fake rant"! So there!

BTW, it's still...

??? ???!!!!!!

Having Sof Zman first requires a Zman

But my spot on the bench is long cold.  
And being burnt-out first requires a fire,  
long extinguished- so I just feel old.  
All of your grouchingly joking around  
ticks me off, and makes me feel bold  
to yell in frustration to the cold, silent sky  
“Oh! For **just what** have I sold out mine soul?!?”

I cant believe that the The Grouchery is so quiet on this gray rainy gloomy Friday, a ton still to do for Shabbos, just about started thinking about cleaning for Pesach, the pressure is on, the day is always to short. You know, even if Friday was a week long, we wouldn't be ready for Shabbos on time. Why oh why, cant we pull it all together on time, why are we always scrambling at the end of the day?

Last night, my wife and I were discussing my lack of energy (mostly emotional) and that I slowed down a lot from the beginning of the week. (We made a bris on Tuesday, BH [derech agav, is that allowed here?]).

My wife said “but tomorrow’s Friday, so at least there’s that”.

Snort.

7 days out from pasech... and my plans changed in a big way....

So I get to do a lot of the prep all over again while juggling 2 jobs.

I'll probably be to busy for half the week anyways so it's more like 3 days.

Just remember three things:

Crumbs aren't ???.

This gives you extra opportunities to grouch.

The only thing you can control in this thread is if your kids will be grouchy at you.

I hope you can get out of that mess asap
