

The Grouchery: Haven for the Grumpily Disgruntled

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

**Enter at your own risk!**

I hate Simchos. With everyone dressed to kill. Literally kills

Remind me to invite you to a vort Wednesday night

A house vort, with one entrance for men and women.

I see your Rosh Chodesh, and raise you a Rosh Hashanah.

Yes, I overslept majorly first day of the year. And I had to lain in my shul. Skipped most of davening.

There I was, finishing shacharis, and I thought up a spectacular rant. I'm saying that I had the entire thing laid out in my head. It was marvelous. Bared my emotions. Everything.

I get home, sit down to write it and- NOTHING. Goneskies. Drawing a complete blank.

Why do some people (if not most) write "tallis" on their Tallis bag, and "tefillin" on their tefillin bag? What purpose does it serve? Does anybody not know which bag is which? If so, we have bigger issues at hand.

There is no reason for this meshugas. It should be ended.

**Warning: Spoiler!**

I suspect this post won't be too popular with the current GYE climate but the heck with it, this is The Grouchery.

People who wear their hats while driving are a danger to society.

This practice ought to be banned. Forever.

Where are the Kol Koreh's?

Pack your hat away in the box, dude. Just. Pack. It. Away. It *seriously* impairs your ability to drive.

Has anyone else ever gotten stuck behind a driver who's wearing their hat? You'll know exactly what I'm talking about.

The problem is that the shmoes who put out the kol korehs are all wearing hats while they drive.

The car ahead of him has someone's grandma that is struggling to look over her steering wheel...

Whats the answer?

Move somewhere else
