

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

Hey, if that's what it takes to get The Grouchery up and grouching again, it's a hit I'll gladly take.

Warning: Spoiler!

Speaking of me, I'm gonna take some credit for thinking of that one too. As I messaged our bloody-faced friend a couple minutes ago, "My first take on that was going to be "me" but that was too vicious for the forums"

One word grouches, such a lazy way to grouch, grouching is an art perfected by some who shall remain nameless here and you people with your one word grouches are trying to destroy the art of grouching. For the love of grouching, if you're going to grouch give us a real grouch not these one word faux grouches

I'm sorry Mr. Foolie but i did not see that rule in the Newcomers guide to "The Grouchery", so if you're gonna be making up your own rules you better be making them up some place else, not here.

Just because you don't appreciate the unwritten rules of proper grouching doesn't mean they don't exist. Ignorance of these rules is not an excuse

I spoke to him an hour ago. He was quite positive.

I disagree with your methodology.

Go ahead. Grouch.

I think it should be done ceremoniously!
