

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

Whoever it was that said "urges last only 30 minutes" ought to be locked up, with the only key thrown deep into the Grand Canyon.

Or, at the very least, as Redfaced always says, "may you step on a piece of Lego in the dead of night".

Not just any lego mind you. Ideally a Mentchie with its arms outstretched

The idea of chol hamoed trips is the product of the tortured mind of a sadomasochist.

I daresay we could find a "super helpful, creepy Uncle" type mentch from this site, (me?) who

would be more than willing to dotingly care for your wife and kids while you are gone.

Whoa. Okay.

So is the first grouch that I'm a "hero" and you're just "a rubber duck"? Because in that case, TD needs to protest. Buddy, rubber duckys ROCK!!! Heroes are a bunch of nerds who have to sacrifice stuff to do the right thing while upsetting all the wrong people. Rubber duckys, on the other hand, bring joy and happiness wherever they are go! (Just try bumping into someone with one in your pocket- the looks you get are priceless. This may or may not be spoken with experience in this matter.)
