

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

AND ITS COLD IN MONSEY:angry:

Very cold. And I'm outdoors most of today!

He who is cold, clearly did not enough drink.

I thought you earned a Lchaim?!?

Can you tell us the required amount of alcohol needed to fend against hours in 21f winter weather?

I can't count that high.

vomiting all food and bottles.

Vomiting bottles, hmm, I've got some questions for you, like how did the bottles get in there in the first place. But to be honest you cant blame your kid, you know, vomiting bottles sounds pretty darn painful.

Clearly you're not a parent.

If you were, you'd be familiar with babies- especially teething babies- sticking EVERYTHING in their mouth. I'm talking baby wipes, clean and used. Fingers, not even a question. Tzitzis, but

that may just be my kids. The list goes on.

So you think bottles are a ??????

snorts

rookie

shakes head

I can attest to the validity of the grouchiness contained above. It is, indeed, flipping cold in Monsey.

Also windy, fyi.

What's the wind speed? Humidity level? UV index?
