

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

My Grouch

Mitzva Tanz (chasidish satmer type, sitting at 3AM and hearing what the Bubby that died 2,000 years ago did for bikur cholim, and how 'tzniusdig the other sides mechuten's half-brother's step-grand-daughter is dressed, or telling stale jokes of a shvigger and an airplane exhaust)

ARGHHHHHHHHHHHHHHHHHHHH

I would like to meet the guy that came up with this custom in a very dark ally in Burma.....

Yungerman: Well, my shvigger came from EY for yom tov and stayed over at my house for 3 weeks, today she went back! Im so happy!!

Friend: why are you covered in black soot?

Yurgernman: Because i kissed her plan's jet engine!

Sorry to change the subject here.

There were a bunch of posts about weather and people giving away their locations.

NOT ADVISED.

Yes, most people here are good, wonderful, caring, etc. But there are others hanging out here as well. Some with not the best intentions. Protect yo self
