

The Grouchery: Haven for the Grumpily Disgruntled

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

**Enter at your own risk!**

wait wait wait one sec! Hang on a minute!

I know this is The Grouchery (TM) and we are all welcome to come here and complain on our boring and fun lives an all that stuff.

But, there are some things that are holy sacred even, and we cannot just say whatever we want. We need to show SOME respect to humanity!

Badmouthing Harry Bloody Potter?!?!?! WHAT?????? Ronald Weasley!! I cant even. Merlins Beard.....

Sheeeeeeeeeeeeeeshhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh

Hoo, boy. You asked for it.

Lucky for you, my last response got deleted and I lack the time right now to elaborate.

Prepare thyself for some good stuff.

WHAAAAAAAAAAAAATTTTTTTTTTTTTT?!?!?!?!?!?!?!?! But that would mean that his whole relationship with Harry wasnt strictly professional and educational? Ill need to process this and reread all the books in this new light.

FOr arguments sake if someone had to be SSA it would be Filch.....

Unless you confund us or us the Imperious curse I'm afraid that's impossible.....this thread was litteraly started by Voldemort and Mad Eye Moody who happen to be the same person (though I'm not sure who's using the pollyjuice potion on whom) we absuloutely must T4, I mean I don't even think there's an excuse to miss an episode of Potterwatch if possible. Look man, as a wiser (and deader) professor than myself said, "*He exhibits no measurable talent. His arrogance rivals even his father's. And he seems to relish his fame.*" I'd say you should take it up with him, but thanks to the creator of this sacred space, he's gone.

I'm grateful for this post.

I'm grateful for the grouchery.

I'm grateful that I, you and all of our fellow grouchers can grouch our heart out to no end.

I'm grateful that I may be physically mutilated, lynched and even expelled, excommunicated and banned from the grouchery as a result of this post.

I'm grateful for any and all mean responses this post will get.

I'm grateful that this post may not get any responses so that it can just be "shtulzed" out.

I'm grateful that I just placed you all in a paradox.

I'm grateful that you all have your minds racing right now to come up with a proper response to this evil blasphemy.

There are some things you can't share without ending up liking each other, and grouching alongside fellow porn addicts is one of them ~ Harry
