Going to start with all the good needles scattered throughout the haystack of the Depressed Person's Chill Spot.

Here goes.

It seems that Reagan and Gorbachev arranged a competition to determine whose nation had the bravest troops. The two leaders arrived, at the designated hour, on a plateau in Finland high above the water. Each was accompanied by a battalion of crack troops, smartly uniformed. The leaders shook hands.

Reagan went first. He addressed his battalion of Marines:

"Private Jones! Front and center."

Private Jones saluted and briskly marched to the front of the ranks, facing his commander.

"Private Jones! March to the edge of the cliff."

Private Jones saluted and briskly marched to the very edge of the cliff.

"Private Jones! Jump!"

Jones just stood there, unmoving.

"Private Jones! I said jump!"

The man's knees started to shake, but he was otherwise motionless.

"Private Jones! This is your Commander-in-Chief. I ORDER YOU TO JUMP!!!"

Private Jones wailed out: "I can't! I have a wife and a family!"

The MPs arrived and escorted Jones away for court martial. Reagan backed off in disgrace. It was now Gorbachev's turn.

"Comrade Dmitrivich! Front and center."

Comrade Dmitrivich saluted and briskly marched to the front of the ranks, facing his commander.

"Comrade Dmitrivich! March to the edge of the cliff."

Dmitrivich saluted and briskly marched to the very edge of the cliff.

"Comrade Dmitrivich! Jump!"

Dmitrivich jumped off the cliff.

By some miracle, he is snagged on a branch and he lands on a crag some 50 feet below the top

of the cliff. Dmitrivich is badly injured, but still alive and conscious. He is carried away on a stretcher.

As Dmitrivich is carried he passed Private Jones, Jones cannot resist asking him:

"Dmitrivich! How could you do it? How could you jump?"

Dmitrivich answered: "I had to! I have a wife and a family!"

A college pizza delivery boy arrived at the house of Mr.Smith. He delivered the pizza to his trailer. After giving it to him, Mr. Smith asked: "What is the usual tip?"

"Well," replied the youth, "this is my first trip here, but the other guys say if I get a quarter out of you, I'll be doing great."

"Is that so?" snorted Mr. Smith. "Well, just to show them how wrong they are, here's five dollars."

"Thanks," replied the youth, "I'll put this in my school fund."

"What are you studying in school?" asked Larry.

The lad smiled and said: "Applied psychology."

Every day of their vacation, these two guys rented a boat and fished. One day they caught thirty fish.

Joe said, "Moe, mark this spot so that we can come back here tomorrow!"

The next day when they were driving to rent the boat, Joe asked, "Moe, did you mark that spot?"

Moe replied, "Yep. I painted a big 'X' on the bottom of the boat!" Joe growled.

"You old fool! What if we don't get the same boat today?"

During Marine Basic Training Camp a Captain received information that the mother of one of the recruits had passed away. The Captain calls Sergeant Black into his office and tells him, "When you line up the troops this morning you need to inform Private Jones that his mother died."

"Yes Sir!" says Black. That morning as the men were lined up Black bellows out, "Hup, hey, ho, ho. Jones your mother died." Jones falls over with a heart attack.

month later the Captain calls Black into his office and says, "Black, you need to tell Private Smith his mother died. But this time use some tact. I don't want to lose another good recruit.

"Yes Sir!" Black answers.

This time when the men are lined up Black yells out, "Okay. All you men with living mothers take one step forward - NOT SO FAST, SMITH!"

A girl was driving when she saw the flash of a traffic camera. She figured that her picture had been taken for exceeding the limit even though she knew that she was not speeding.

Just to be sure, she went around the block and passed the same spot, driving even more slowly, but again the camera flashed.

Now she began to think that this was quite funny, so she drove even slower as she passed the area once more, but the traffic camera again flashed. She tried a fourth and fifth time with the same results and was now laughing as the camera flashed while she rolled past at a snail's pace.

Two weeks later, she got five tickets for driving without a seat belt.

A strong young man at a construction site was bragging that he could outdo anyone when it comes to pure strength.

He made a special case of making fun of one of the older workers at the job site. After several minutes of ranting, the older worker had had enough.

"Why don't you put your money where your mouth is and challenge me to a strength competition," he said. "I will bet an entire week's pay that I can haul something in a wheelbarrow over to that building that you won't be able to wheel back."

"You're on, old man. Let's see what you got," the young boaster replied.

The old man reached out and grabbed the wheelbarrow by the handles. Then, nodding to the young man, he said,

"All right, hop in."

A couple of rednecks are out in the woods hunting when one of them

suddenly grabs his chest and falls to the ground. He doesn't seem to

be breathing and his eyes are rolled back in his head. The other guy whips out his cell phone and calls 911.

He gasps to the operator, "I think Bubba is dead! What should I do?"

The operator, in a calm soothing voice says, "Just take it easy and

follow my instructions. First, let's make sure he's dead."

There is a silence, and then a shot is heard.

The guy's voice comes back on the line,

"Okay, he's dead."

A bear walks into a bar, sits down, and orders a beer.

The bartender, amazed that this bear can actually talk, gives him a beer.

The bear says, "What do I owe you?"

The bartender stops and thinks for a moment.

"Even though this bear is smart," thinks the bartender, "he probably hasn't been in many bars."

So the bartender says, "That'll be twenty dollars."

The bear forks over the money and starts drinking his beer.

After a few minutes, the bartender can't restrain his curiosity, so he walks back over to the bear and tries to strike up a conversation.

"You know, we don't get many bears in this bar."

The bear looks up from his beer and says, "Well, at twenty bucks a beer, I'm not surprised."

A woman's husband had been slipping in and out of a coma for several months, yet she had stayed by his bedside every day. One day, when he came to, he motioned her to come nearer. He whispered, eyes full of tears: "You know what? You have been with me all through the bad times. When I got fired, you were there. When my business failed, you were there. When I got shot, you were by my side. When our house burnt down, you were there. When my health started failing, you were by my side. You know what?"

"What dear?", she gently asked.

"I think you are bad luck", he said.

Three men, an Italian, a Frenchman, and a Jew, were condemned to be executed. Their captors told them that they had the right to have a final meal before the execution. They asked the Frenchman what he wanted.

"Give me the best French wine and French bread," he requested.

So they gave it to him, he ate it, and then they executed him. Next it was the Italian's turn.

"Give me a great big plate of pasta," said the Italian.

So they brought it to him, he ate it, and then they executed him. Now it was the Jew's turn.

"I want a big bowl of strawberries, " said the Jew.

"Strawberries!!! They aren't even in season!"

"No? OK, so I'll wait..."

A black man and a white man were arguing if God was black or white.

The black insisted that God is black, while the white argued that God is white.

Finally, they made up that they would just ask him.

They scream out together, "God, are you black or white"?

A voice thunders from the heavens, "I Am what I Am".

The black man said, "You see, he's black.

The white man says, "No, he's white".

The black man says, "How do you know that he's white?"

The white man says, "Because if He were black, He would have said, 'I Is what I Is'".

A Redneck buys a ticket and wins the lottery. He goes to Austin to claim it and the man verifies his ticket number. The Redneck says, "I want my \$20 million."

The man replied, "No, sir. It doesn't work that way. We give you a million today and then you'll get the rest spread out for the next 19 years."

The Redneck said, "Oh, no. I want all my money right now! I won it and I want it."

Again, the man explain that he would only get a million that day and the rest during the next 19 years.

The Redneck, furious with the man, screams out, "Look, I want my money! If you're not going to give me my \$20 million right now, then I want my dollar back!"
