

The Infiniti is in The Beyond...

Posted by tzitzis dude - 25 Feb 2025 13:56

I've gotten my Grouch out. The Infiniti is in The Beyond. (It even says that in the thread title.)

If anybody's confused, I'm referring to my car, a "h, which has been officially totaled. It is (or was, sigh) an Infiniti, and its nickname is/was The Infiniti And Beyond.

So what am I doing here? I need a nickname for the new car. Any suggestions?

Hhmmm... you raise a point.

An issue is that the seller clearly called it "he".

Warning: Spoiler!

Okay now you're giving us some details. How were we supposed to think of names without any identifying details.

I vote for "L'il Whitey"

Dudes, there are some decent ideas.

But I want dark humor names. I want my wife to shudder when she hears it.

If y'all fail me on this, you know where I'd need to go next...
