

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

Ok, ok, I'll join the fun... On purim, I like to buy pure Arak and mix it with lemon juice and orange juice. Yum. I make myself a full bottle of that, ice-cold, and down the whole thing... it keeps me dancing till I drop.

That's all I drink all year.

Guard i think you just gave away your identity. I know only ONE guy who does both of those thing..... :D :D :D :D :D :D :D :D

I know 2 more people that do arak and OJ one is only 19 and the other lives in USA, so don't get so exited. I guess it's a good drink.

Sadly though there is very little basis for being mekayeim ANY mitzvah while getting drunk on ANYTHING OTHER THAN WINE. See Nitei Gavriel for the sole mareh makom HE could find (and he has crazy mareh mekomos from all over-mostly chassidish though). Ayin Sham (oh and if you never say the sefer, walk onto any self-respecting shteibel or chasiddishe place, and you should find at least 1/4 of his sefarim. he's got well over 30 already!)

I mean, Moadim B'Halacha lists nine different shitos in what you can stoned on. Seven include other types of booze. The lasts doesn't even require liquid. Pot works fine (was actually talking about chewing though nasty cocaine leaves)

damn i cant believe i missed that reference....time to see that one again...

I hope I don't freak anyone out, but it was an absolute favorite for me. Not because of the gore, but because of Dr. Hannibal. I always identified with him. "You think I'm crazy. I am. But I'm inside of your head, because I'm still four hundred times smarter than you - so who really is normal? Does it even matter?". Also why I loved Dr. House...

I actually did this to a therapist. Ever saw a therapist crack in middle of a session? I dropped most of her issues on her head... It's audible. It wasn't particularly productive. But...refreshing...

Just took a shot of scotch after months of only bourbon.

BIG MISTAKE

It tasted really nauseous - to be mild about it.

Once you go bourbon, you can never go back.
