

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

While Reb b is shtelling his borsht, and the mini-b's are araingekoch'd over the fehrrd, here's a little l'chayim to the fellow who threw me a candy-coated lifesaver ring while I was drowning in self-pity that I was spending Purim in a hospital alone (with 475 sober phillipino nurses and doctors).

THANKS Bardsky!

Reporting for duty at the pub! First one in the house, it seems....

Hey, anybody else in here?

This is almost as bad as chatting with the ignomious chatline folk, pretending to be young and attractive while they are really too old, too hairy-faced, and too rotund to appear anywhere in person, so they're on the phone fishing!

Alright, so I'm a lunatic.....

Ich bin a ugeh-bored-lunatic....

Help.....

.....l'chayim, anyone?
