

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

How about Robitussin DM? I hear it's 80 proof and some of them are kosher. And the cherry flavor reminds me of Kiafa.....don't ask.

OK.

I **blindly** do whatever my rebbi tells me to do.

...at least, I'm usually blinded *after* I do it! It usually involves a beverage of some kind... 8)

Ok rage let me 'splain

There is your standard johhny black and red

Been there done that

Both ok

There is gold (pretty expensive)

And blue (very very expensive)

Green is in its own class

Its very malty

Its smooth yet very full and a long malty finish

It used to be only sold in duty free so that added to the mystique

I use it when I'm looking for something a little unfamiliar

Another unfamiliar choice

(I don't own a bottle)

Is laphroige (single malt) very smoky almost like a flight thru europe these days

Or compass box

(Peaty malt)

Ok back to you ess of aye

Try sazerec (I hope I'm spelling it correctly!) Handy rye

Its very different

Rum bacaradi 75 its 150percent alcohol so. No smoking its flammable!!!

Vodka is vodka

But grey goose is in its own league

Beer

Regular Sam adams

Is sooo good

Especially at 1230 am by a summer shalom zachor

And sammy seasonal brews are great

The summer ale just hit the stores last week

But with the weather hovering in the 40s and 50s ill wait for summer (yeah by then they will bring out octoberfest)

Gotta gO

Lchaim see ya all in the kretchma

Lchaim

Bardy
