

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

1. I think we should make it illegal to call wine cute. I think the term should be limited to cute little furry rabbits, laughing babies, and such.

2. I suggest we change the name of the thread to wine & Liquor snobs anonymous.

3. Don't waste your money on grey goose. Smirnoff is cheaper and better. http://www.nytimes.com/2005/01/26/dining/26wine.html?_r=1 Seriously it's a Shud oif Iddisher Gelt. Bettter donate it to GYE, you will feel much better after the donation and there's

WHOA! Hold your horses

Snobs? This is the most all accepting liberal openminded thread on the forum and probably one of the friendliest spots of orthodox jewry

On the bookends you have. Aleft wing punkrocker lawyer and a chassidisher rightwing truckdriver handing out lchaims all day!!

So get inside

Chazzak-Grey goose is an overpriced vodka made by the French. In answer to you reb burdy when I wrote snobs it is in reference to the beer snob (people who know a lot about different beers and their tastes etc are called beer snobs) I just applied to to wine and liquor.It doesn't actually mean snobby, they are just called that.

Hate to step on anybody's party, but how do you stand to drink Vodka?! It feels like a mace being jammed down my throat. Try a good bourbon/rye like 'Black Maple Hill' 16 years and up, and start enjoying life.

L'chaim!

Plenty people I know are enjoying life, and all they drink is bourbon. Please stop. You are making new "issues" for me to worry about. ;D

OK, I'm finally here, and it looks like the pub's run dry for a day!

Helllloooooooo, anyone home?

It's Wednesday, ladies, one day further into the week, therefore more reasons to make a l'chaim!!

Bardy, i'm ashamed to admit I've NEVER tried woodford yet. We've gotta mean somewhere on Interstate Route 1 (it's the truck route) and I'll take a sip of yours. I'm too cheap to buy a bottle till i know I like it.

And FYI, Grey Goose is the only vodka I've had that is SO SMOOOTH when chilled. Twas like drinkin' vasser, but when it lands it starts warming you up from the inside out. Good for those cold Siberian Winter nights. Now you go an' burst me bubble and tell me the Frenchies make it? Shame on you....
