

Bardy's Pub

Posted by Cry2Tatty - 24 Jan 2010 17:16

Welcome my friends to bardy's pub...it's kinda like a depressed persons chill spot for guys who like to drink...tell us what you're drinking what you drank and what you'd like to drink...

I'll start...this shabbos I had a chianti italian wine made of sanginovese grapes...it was a 2008 and tasted immature...it had an acidic finish that's a staple of the tuscanny region...it was a cute wine and I enjoyed it because I wasn't expecting a big bold taste...Friday night I had 3 shots of the balvenie 18 year while playing backgammon with mrs rage after the meal...then at 830 I poured myself a glass of about 5 ounces woodford and had a lechayim with all of u...shabbat after shul I had a glass of grey goose with my chulent eggs and a pre nap glass of woodford...over all it was a nice shabbos...

maybe just skip to the royal funeral of Vashti?

horse-drawn carriages, 21-gun salute, flags at half-mast

or maybe if the king kills his wife they don't get a state-funeral?

in that case you can put a picture of the cement shoes...
Kein zein, kein zein...

I chapped the remez!!

Kein is *begematria* 70.

Yayin is also *bigematria* 70.

Zayin = 7.

"ken zein" = 7 days of wine!

Is this the Purim dialect of The Dovish Language?

After visiting this kretchmer for the first time in a long time, it seems that the discussion here has **not** gotten any more mature than it was before.

I think I'll stay.
