Gee guys, really wish i join in, but s/times i just can't figure out what u guys r talkin about-seems like u've been here so long that ustrted ur own little language of sorts and didn't realize- it's like a cross dialect between misshhagass and nonsense, with a tad of Piggy latin. Reccipe for cheulent where i come from:

Beans/ptatoe/barLey/Meat(classic)

gasoline

spacesuit material, blended up and mixed with blue crayon juice

one drum of explosives

metal parker pens, several

Asparagus

Brssel sprouts

Penguin hair-chop with steel knife

A little mesillas y'sharim never hurts

Olive oil

Now shove this all into longest sock you can find,

swing it around your head until you become so dizzy you fall

Now eat raw. (recipe found in t'shuvos rivash, #7billionfour, see middle where print gets indiscernible and it's right there)

it seems like you have absorbed some of the important doctrines of the Secret Cholint Fellowship

keep up the good work

p.s. just make sure the penguin hair is not from India

I second the motion.

Tzaddik, can I come for Shabbos lunch? Or at least ToAmeihu?

p.s. just make sure the penguin hair is not from India

That's a no-brainer, my penguin wears a Tichel...

Eating the leftovers from Shabbos Kodesh is PART of Kovod Shabbos.

It is brought down in heilige seforim that we shouldn't eat the Shabbos'dige foods during weekdays.
