Narcissism Cholent Therapy (pending FAA approval)

take off shoes, put on flip flops or crocs

sit down on couch with paper and pen

list your favorite ingredients for cholent: ketchup, beer, franks, chicken soup, Coke, shnapps, etc

take out all those ingredients and arrange them on the counter

imagine a cholent made with all that, done just right, savor the aroma and taste for a few minutes

now put all the stuff back into the pantry

[if you're married] call wife and ask what she recommends putting into the cholent, she'll probably say salt, pepper and a little garlic powder

[bochurim] take out a cookbook written by a woman, follow the recipe for cholent exactly

repeat until you are healed or the grandchildren start inviting you for shabbos
