Somebody was klerring that perhaps someone hijacked Yechida's account... Yechida-Cholent?

And the GYE Historical Society wrote me:

to the best of knowledge, this post is the original possum post on gye that started the whole possum adulation

[www.guardyoureyes.org/forum/index.php?topic=1701.msg90527#msg90527](http://www.guardyoureyes.org/forum/index.php?topic=1701.msg90527#msg90527)

Zemmy did I just quote you twice without mentioning a name?

Yippee! I'm an accomplished plagiator, finally!

Mordechai Schmutter asked in his facebook account yesterday, what is the weirdest thing you've ever seen people put in cholint...

should I have said "possums"?

i bet you the guy's on gye....

p.s. i do not have facebook, someone i know keeps me updated with mordechai schmutter's antics

The proper Shabbatt seudah consists of Kidush on Grape pop, (with grey goose or pravda) followed by a ham-oatsie on 2 whole wheat hotdog buns, a platefull of jelly fish (pashkez of course) w/ heimish tomato dip with mayo and sour pickles, followed by eqqsnnonions with a side of fried onion and candy corn, followed by a 5 round drink off consisting of 1st round :vodka (all shots to be 1oz), 2nd round: Bourbon (woodford? a bit fruity though, it's what they use as an anastetic on the race horses when they have open heart sugery)3rd round: Arak (to get rid of all those wimpy Achkenaziks) 4th round: Olde Williamsburgh (to keep the Real men only) Followed by a 5th round of single malt (prefebly Laphroiag QC or Lagavulin) and NOW yer ready for the Super EMU penultimate chulent : 2 pounds of tounge sliced thin, 2 gallons of canola oil (xtra heavy) 1 tspn of peppermint extract

1 package of barbacue corn pops  
A six pack of Miller high life (hey TZ, AA does not allow Bud...)  
1 container of Bobby Miller's famous Gallreta  
a 3 pound bag of chick peas soaked for 14 years  
1 small container of Greben,  
Cayenne pepper, to taste  
17 eggs ( for all my Schphardik friends)  
half a bag of garlic onion Noshkes  
3 tablespoons of salt  
Zoglos Pareve possum steaks  
1 oz of parve whip topping  
3 olives.

Combine or seperate all ingredients as seen fit and watch yer guests have the best seudah  
ever, gaurunteed or your money back!

It's also brought down in the sefer "Daughters of Destiny", I think by the daughter of R' Chatzkel Levenstein zt"l, that when she was sick in her child years, they gave her (approx) 15 eggs to eat. (Like my mother used to say, "If you don't stop crying, I'll give you something to cry about.")

(Halloween is comin' up. Get your eggs ready.)

Re: Tzthuhlint!!

Posted by tehylimzugger - 14 Nov 2012 15:28

---

Le'maaiseh, I was klerring, that it's proper for der Novardikker oilam to say "Tzthuhlint" not Chas V'shalom CHOLINT-

Any proper litvitteh Ruh-theh-theevih (Rosh Yeshiva) has a lisp [or two]\* but just to prove my ) writes "???????".

Besides, the great defender of Reb Yoisef Yoizel (Founder of the Novardikker hymns)- Rabbi Michel Epstein Rabbi of Novardik uses the same spelling (Aruch Hashulchan CCCXXI, VII; CCLVII, XIII), how much more Novardikk can you get?!

---

\*) **See Sepher Plioth Chochma** [A chassidic Dikduk Sepher- What the gehinomm is that, right? I KNOW! Still better than ????

????? (good luck with the transliteration, I for one, have no idea how to pronounce that) which is chassidus on "Hilchos Shechita", hey it's all

point, Rabbi Israel Meir of Radin in his "Mishna Berura" (CDXLVIII, XIII  
good!) (Part I Gate XIII "Takil Upharsin" Essay A) "We can thus assume the proper pronunciation [of "thau"- last letter in hebrew alphabet] is like the Lithuanians "sin" [the letter, duh].
