

My little corner, but it's bigger than your entire room :P

Posted by shemirateinayim - 10 Feb 2010 05:55

Ok I'm really bored, and instead of touring the world of zhus. How about i post these helpful links. just that I'm too lazy to read this and see if it's Kidai. So you just let me know. I found it on aish, and we are thankfully mentioned a few times, on the comments to their articles on addiction.

www.koshereyes.com

And the site has a free book available for download.

me February 21, 2010, 12:50:15 AM Viewing the topic Treatment options.... and recovery?.

YAY let's see if he says anything

It's February 21, 2010, 01:25:12 AM, and he's still reading it! Either he's a slow reader, or he fell asleep at the wheel. B"H Bards isn't a moderator, otherwise I would be very worried right now!! Can someone email him a pillow and blanket?

There is a reason why I got 79 reads... Trying123 gave me 2, guard gave me 1, and i checked it myself around 40 times..... hello? where is dov, bards, rage, (oh yeh, dov isn't online).... hello? DO i have to fake being a newbie, under a new SN? just to get some attention??

GUARD I do have a 2nd SN on here, if I could only remember the password! OK maybe I don't...but it's not so hard to pull it off. All I gotta do is use an assumed name, and rewrite my story without any torah references (oh yeh and no using ----, _____, or *****). Fix the typos, and

vwalah! I have a new identity!!

Don't make me do it! Just answer my thread as is!!

ok I know that GUARD doesn't like when I change my name too much. He claims it gets people confused. Personally, I have to keep re-reading people's first posts, to figure out who on earth any of the new people are. I am just terrible with names. But cmon... " -?- " is just such a nice name. It's almost as if the forum isn't know who posted the response. OK I am high on sleep deprivation, and still in a very bad mood! So let's see what GUARD does by the time I wake up tomorrow.

Knowing that he will definitely not be checking the site on purim.....maybe I'll sneak in as the PeeRim Rav. I DO have the email, avatar, and username all ready :-X Just don't tell

I am probably going to be the first veteran member to be kicked off the boards for stupidity. Hey....might as well set a record. Now how do I get myself into Geuness Records, anonymously???

the real reason why you dont get visitors is because they get scared off from your pic. You see ive got this brave side to me also so.....
