Ok I'm really bored, and instead of touring the world of znus. How about i post these helpfull links. just that I'm too lazy to read this and see if it's Kidai. So you just let me know. I found it on aish, and we are thankfully mentioned a few times, on the comments to their articles on addiction.

Does anyone know what it feels like to sit in-front of a 72inch widescreen ? At 4am, without a soul in sight. With 10 bookshelves lined with DVDs of every sort (ok not absolute shmutz).

And to tell the ribono shel olam

tatte the only reason I did not turn it on, is beacuse you don't want me to.

OK I am making a sales oitch for our Israeli brethren. IS there anyone who can type in hebrew? The Hebrew forum is DEAD!!! They at least need ONE ongoing dialog!! Mybe just picking a good idea drom the emails, or somewhere on the thread and sharing it with them. Plus we would have the added bonus of hearing R Shruga's input (you can even cut-paste it in hebrew, since many people can understand it, like myself, we just can't type in hebrew).

Who wants to save the Addicts of EY??? I even know a guy, and have the guts to direct him there.

I am spending too much time on this site, and subsiquently, I am getting bored of it. Hmmmmm I wonder why? ...not

BIG news everybody, i started the 12 steps tonight. It's finnaly getting through to me that I am ADDICTED and will NEVER recover memaila...some people have, but my addiction is too deeply rooted. Plus, I don't have time to kill waiting around for that to happen.

But I am doing the 12 steps, and currently working on 1-4.

1. still needs me to admit it by every nissayonn. "I'm an SA, there is no way for me to win the battle against these nissyonos, I will fall!!
2. focus on yichud hashem.... what moshe asked Hashem for "harEini na es kevodecha" and we ask for it every shabbos day "yeshder lan shufrai venechzai biykarei ( dee pritzedek ki sisah)
3. Daven, beg, entreat, and poof----- it went away
4. send a detailed email to my partner/sponsor

Twinkle twinkle little star, how I wonder what you are.

Up above the world, so high. Like a diamond in the sky.

twinkly twinkly little star, how I wonder what you are.

...bored.
